Dear Parents and Guardians,

It has been brought to our attention there is a "Momo" challenge popping up in some children's programs online. We know some students are aware of this challenge based on comments made and discussions with peers. According to CBS news, this challenge is appearing midway through the shows such as Kids YouTube, Peppa pig, Fortnite, etc. The challenge asks students to partake in a variety of tasks to avoid being "cursed". This challenge is disturbing and unsafe to the point of potentially harming themselves. As always, we encourage you to discuss this with your children and monitor their online usage.

Thank you for your assistance in this matter and keeping our students safe.

Sincerely,

Traci Gavenda  
Principal
