Parents and Students Have Educational Options in Gratiot and Isabella Counties

Understanding Schools of Choice

Historically, all districts in the Gratiot and Isabella RESD have participated in Schools of Choice. Schools of Choice is not mandated; districts have the choice to participate.

There are two different types of Schools of Choice participation, limited and unlimited.

- **Limited Participation:** a school determines how many students by grade level it can accommodate. The following districts are limited participation:
 - Beal City Public Schools
 - Mt. Pleasant Public Schools
 - Shepherd Public Schools
- **Unlimited Participation:** a school accepts all students who apply unless a student has been expelled from another district, or has been suspended in the two previous years. The following districts are unlimited participation:
 - Alma Public Schools
 - Ashley Community Schools
 - Breckenridge Public Schools
 - Fulton Schools
 - Ithaca Public Schools
 - St. Louis Public Schools

Important Information for Applicants

1. The Schools of Choice application window for **limited** Schools of Choice will be 30 days, from mid May until mid June. After the window closes if there are more applications than open seats at any grade level, a lottery drawing will be held to select students. Students not initially selected will be added to a waiting list. A second window for any remaining seats will open on the third Monday in August and run through the end of the first week of school.

The Schools of Choice application window for **unlimited** Schools of Choice begins March 15 and will run through the end of the first week of school.
2. Once a student has enrolled in a district under Schools of Choice and continuously attends school in the choice district, the student may remain in the district until they graduate. They do not need to reapply.
3. All participants in the Schools of Choice Program are expected to attend their school of choice for the entire school year. Request for student transfer during the school year back to the student's home district will be granted only under extenuating circumstances and must be approved by both school districts.
