Ashley School District Families and Friends,

Spring is finally here. This winter has had a major impact on the school calendar. We have missed 15 days of school this year. The state has given us a total of nine forgiven days. As a result we have to make up six days.

We will make these days up by adding the following school days to the calendar:

- Friday April 19-half day, school dismissed at 11:30 p.m.
- Monday April 22-full day of school
- Thursday June 13-full day of school
- Friday June 14-full day of school
- Monday June 17-half day exams
- Tuesday June 18 –half day exams

Notes

1. In the original school calendar, June 11 and 12 were half days for exams. School will be in session for full days on June 11 and 12
2. On April 17th we will have a PD day-a 2 hour delay school starts at 10:00
3. Graduation will be May 29th
4. More days could be added if there are more situations that force us to close or delay school.
5. We will continue monitor the changing legislation
6. We will keep families informed of any changes

Thank you for your cooperation,
