

JUNIORS

THE CLASS HISTORY OF '53

In our Freshmen year, 1949, we had to get acquainted with many things, including our teachers and classmates as well as the ways of the school. Mrs. Foster Mitchell gave us a talk on what we might look forward to during our stay in high school. Then we chose our sponsor, Miss Norma Spalding.

The next task came in choosing our class officers out of a group of students of which the majority, most of us had never seen before. We elected Jack Mitchell for the presidency, for most of us knew him better than anyone else in the class. Grover Shaw, another well known student, became our vice president along with Mary Wingle as secretary and our treasurer Delores Decker.

Our first money making project was a dance. We also had a roller skating party at the Ranch Roller Rink in St Johns which we knew better not to have next time.

The Sophomore year was a busier one. Many of our classmates had left us this year. We chose our same sponsor we had last year, only this year she was Mrs. Russell Micholas. She was married during the summer.

Joe Adamec was elected as president and Grover Shaw was relected as vice president. Mary Wingle changed office duties to treasurer while Mary Ann Studts was given the office of Secretary.

Besides some candy and bake sales we held another dance, a chicken supper, and three one Act Plays. We also sold tooth paste and makeup. Then before we knew it, the year had passed and we were seperate again.

Now, this year, we are Juniors and feel the responsibilities of any Junior Class. More students have left us, but we have also received a couple new members.
