

Senior Class History

In the fall of 1952 thirty-six scared and green freshmen entered Ashley High School. We weren't well acquainted but we did manage to elect officers. They are as follows: Pres. Carole Sovia, V. Pres. Jerry Crumbaugh, Sec. Albert Egres, Tres. Marie Fabus, Student Council Eileen Wolfe and Zahel Decker. Mrs. Yorder was our sponsor.

During the year we had bake sales, sold seeds and candy sales for money making projects. We lost Eugene Thiele and gained Lois Camburn during the year.

As we entered as Sophmores we felt as if we knew each other a little better. This year it wasn't so hard to elect our officers they were: Pres. Marie Fabus, V. Pres. Eileen Wolfe, Sec. Joan Denniston, Tres. Eugene Oswald, Student Council Virginia Haruska and Albert Egres. Mrs. Johnson was our sponsor.

As money making projects we had a pancake supper, bake sales, and a fish supper.

Through the year we lost five members but gained two in return they were Jim Cerney and Barbara Uribe.

The Junior year arrived at last, this being an active year. We elected officers as follows: Pres. Albert Egres, V. Pres Marie Fabus, Sec. Lois Vissering, Tres. Jerry Crumbaugh, Student Council Virginia Haruska and Eileen Wolfe. Mr. Dale Bush was our sponsor for the year.

We started right off with our Junior Play followed by a bake sale, fish supper, chicken supper, movie, and a donkey basketball game for money making projects. At last it was time for our Junior and Senior Banquet followed by our Prom, this ending our year.

Through the year we lost ten members and gained Elaine Whitford.

The long awaited time finally arrived, we entered our last year of High School as Seniors. This being our big year we elected the following officers: Pres. Albert Egres, V. Pres. Lois Vissering, Sec. Eileen Wolfe, Tres. Marie Fabus, Parliamentarian Lois Vissering, Student Council Jerry Crumbaugh and Owen Wingle. Again this year we were happy to have Mr. Bush return as our sponsor.

For money making projects we have had a chicken supper, donkey basketball game and the annual magazine sales. We are looking forward to our Senior Play and the completion of our annual.

This year we are happy to say that we didn't loose any members.

We, the Senior Class, would like to give our appreciation to each and everyone of you who helped make our Senior year a successful and happy one.
