

A black and white photograph featuring a variety of objects. In the upper left, a vintage record player sits on a surface, with a vinyl record on its turntable. To its left is a glass bottle, possibly containing a beverage. In the lower right, a crown with a large jewel on top and a dark velvet interior is placed on a white, fluffy material. Below the crown are a pair of light-colored, lace-up shoes. A wide, white diagonal banner cuts across the center of the image, containing the word "ACTIVITIES" in a bold, serif font.
