

We wanted to express ourselves this year in a way that would stand out to each individual at Ashley High School. It will turn out to be a very significant year in many ways, yet we didn't want to capture these moments in red, white, and blue. We realize that Ashley is a combination of different types of people and ideas, but every individual is a vital link to our life right now, and we all have one thing in common: ASHLEY HIGH. We have tried and can only hope that we have succeed in bringing together every aspect which has made this significant.
