The jr. high football team had as this year's goal to become a good team thru hustle and teamwork. The team did not accept excuses for failure as they believe excuses are for losers -- winners don't need them.

The guys worked hard to be better than the other guy. They tried to minimize their mistakes and had they not made mistakes the squad might have been 4-0.

Good attitudes and willingness to work and sacrifice are qualities that are hard to replace. This year's team had a heart and that kind of attitudes and desire usually overcomes any weakness.

Coach Kindel offers his congratulation to the team, to the managers and wishes to thank all who assisted in making the 1977 football season a success.
