

VARSITY BASKETBALL

If every game was a league game the Ashley Bears would probably have a better win-loss record to show for the 1977-78 basketball season. League games seemed to make the team play with a little more intensity as compared to the non-league games.

The league championship was the brightest spot in a rather dismal 6-15 season. Ashley and Genesee tied for the crown with four wins and two losses each.

With the league expanding to six teams, next year's basketball teams must work harder than ever to put the third consecutive MSAC trophy in our display case.
