

Fountain in Casa Loma

Toronto

Earlier in the year, members of the class of '78 decided to visit Montreal and Toronto on our senior trip. We scheduled the trip for the week of April 24th thru the 28th.

On Monday, the 24th, twenty-one students from our class along with Mrs. Seals and Mr. Andersen, our chaperones, boarded the Indian Trails bus that we had chartered. We left at about 4:30 that morning. Our driver was Don Habermehl of Owosso whom we soon renamed Uncle Don or Don Juan. On the way to Toronto, we stopped at Niagara Falls. In Toronto, on the way to our hotel, we visited Casa Loma, a 98 room castle, and on the CN Tower, which has the highest observation deck in the world. We then proceeded to the Lord Simcoe Hotel where we were to spend the night. After changing, we ate at the Old Spaghetti Factory. Afterwards, some of us took a trip on a nearby subway.

We left our hotel Tuesday morning, heading for Montreal. On the way, we visited the Ontario Science Center. We spent the next two nights at Le Lucerne Motel which is across from the '76 Olympic site.

Wednesday morning was spent on a Grayline sightseeing tour of Montreal. In the afternoon we visited Radio Canada, one of the world's largest and most modern radio and television center. We went to the Planetarium Dow that night.

Thursday morning we went to a wax museum in Montreal. The rest of the day was spent shopping in a large shopping plaza. We took the Metro (subway) back to the bus. Our group left Montreal at about 7 p.m. and when we arrived in Michigan, we had to switch drivers because our driver had driven his limit of ten hours. We arrived back at Ashley at about 7 a.m.

CN Tower
