### Farewell To The Seniors

Within these lines we give to you  
 A gift of hope in which dreams come true,  
 Dreams of the future - Memories from the past,  
 Cherish them always and they will last.  
 Now you begin a journey to enrich your soul,  
 You'll strive to be the best and set high goals.  
 It's a journey every senior must undertake,  
 With successes and failures all must face.  
 Your journey may be sentimental at times  
 along the way.  
 With people you met yesterday and some  
 you met today.  
 So to the Senior Class the Juniors say  
 farewell,  
 Wishing you joy and contentment  
 and knowing you'll excel.
