The long awaited Senior year finally arrived. After five years of building floats and raising money for the senior trip, the time came to go. The trip was to Toronto, Ontario. Twenty seniors left on May 7th taking Trail Ways bus to Toronto. Activities on the trip consisted of visiting Casa Loma, a castle; staying at the Holiday Inn Motel, visiting the science center of Ontario and the Spaghetti factory restaurant. Also, they visited the Planetarium and the CN tower. They went to a drama play "Mousetrap". Another visit was to downtown Toronto to shop. On the way home the bus stopped at Niagra Falls. May 25 was Senior swingout, and Commencement was May 31.
