Although the Varsity Girls' Basketball team finished with a respectable 12-9 record, most of the girls, as well as the Coach, were disappointed that they didn't finish with a better record. Of the nine losses only three of them were by more than six points. The girls were only out of one game, that being in the district tournament game with Portland St. Patrick (who was eventually the runner-up in the state tournament). As was the case last year, losses in the last 2 games (by a total of 3 points) cost the Bears a M.S.A.C. championship. Seniors Marilou McQuiston Tammy Boog, Judi Boog and Vickie Bernard did a fine job in their last year. Tammy Boog and Marilou McQuiston, both three year letter winners, were the team captains and were good leaders. Sherri Howard, a junior, along with sophomores Kathi Burlingame and Konnie Mills started most of the games and did a fine job. Mills, a two-year letter winner, for the second year in a row, lead the team in both scoring and rebounding. Sophomores Cindy Plesko, Tina Shaw and Jill Gross saw considerable playing time and did a creditable job.

All League — Konnie Mills — 1st team
Marilou McQuiston — 2nd team

The 1978 Jayvee Girls' compiled a 19-1 record. The team consisted of five sophomores and eight freshman. The Ashley JV's averaged 38.3 points per game and gave up only 15.2 points a game. The teams leading offensive people were: Tami Mills with 115 points and 129 rebounds; Lori Bakos with 112 points, 84 steals and 30 assists; Patti Vanek with 104 points and 100 rebounds; Tami Howes collected 140 rebounds and scored 76 points. Leading defensive players were Sandi Boog and Denise Paksi. The team's most valuable player was Tami Mills. The team was young but worked hard during the summer and season to accomplish a 19-1 record. The girls played well as a team. Continued success will surely come, if they continue to work, as hard, during the summer and next season.
