

# FUTURE HOMEMAKERS

Ashley's FHA HERO Chapter had many events throughout the year. The members began with a successful money making project selling Lincoln House products. FHA participated in Homecoming and put on a Breakfast for Champions for the girl's basketball team in the fall.

FHA showed their appreciation by treating the election officials in Alba township with snacks throughout the elections day.

Christmas brought a hustle-bustle time for FHA while they caroled together with the band at the nursing home, spirited the teachers, and put on a program for the Food with Friends.

Valentine's found them in action again-selling hearts for Mr. & Mrs. Irresistible. Dave Warner and Becky Wayne were announced royalty at the Sweetheart Dance.

Many events were planned for National FHA HERO week but were cancelled due to snow days.

Throughout March and April, several FHA'ers were busy preparing for the State convention. Ashley members received high ratings in action events and were a credit for the school and community. The girls attending the 35th annual convention were: Sandi Boog, Deanna Campbell, Lori Crumbaugh, Ase Larsson, and Tina Shaw. Mrs. Boog and Mrs. Shaw were chaperones. 'Dreams Awaken, Chance Be Taken' was the theme and inspired all who attended.

This year Ashley had 30 active members and 5 officers which were: Lyna Hoch (president), Deanna Campbell (vice-president), Shirley Porubsky (secretary/treasurer), Ellen Kimmel (reporter/historian), and Rhonda Norton (vp of recreation).

A terrific team: Mrs. McPherson (advisor) and Tina Shaw (state officer; Vice President of Nationals).
