The 1980-81 school year proved to be very busy and exciting for the music department. One of the major changes for the year was the addition of Jazz band to the curriculum.

During the marching season, two groups were involved with performances. The Jr. High band was involved in the homecoming and Halloween parade. The senior High band performed at all the home games, was invited to perform at Webberville, and participated in the Homecoming parade. Their home shows included: the Jungle show, Movie show, Homecoming, and the Senior show.

After marching season, all groups 5th and 6th grade bands, Jr. High and Sr. High bands, and the Jazz band prepared for the Christmas Concert held Sunday, December 14. The bands performed to a very receptive audience.

Spring brought Solo and Ensemble festivals, Band festivals, Spring concert, fundraisers and finally, commencement.

Obviously band members of all ages are kept busy the entire year. "The band students are very responsive and know what excellence is all about. These qualities make my job easy. "Thanks, gang!" Pat Jackson.
