Third row: Denise Mills, Denise Paksi, Tina Shaw, Delbert Sutton, Wade Crumbaugh, Roger Howes. Missing: Advisor, Mr. Hornak.

The 1980-81 Student Council had some new ideas and activities for Ashley's student life. Homecoming was one of the highlights of the year, each day having something for everyone to do. This year the annual slave auction also included the girls basketball team as well as the football players. Homecoming night had a special touch this year by including the parents of those on the court. WOES treated us with a terrific dance that wrapped the whole week into a warm memory.

The Student Council caught the Christmas spirit and organized a little laughter with the Gong Show. Many hidden talents and secret identities were revealed.

In February, WOES gave another dance for Valentine's Day. Dave Warner and Becky Wayne were announced Mr. and Mrs. Irresistable.

Twirp week this year was April 20-24 and was filled with activities for everyone. The week was completed with a benefit dance for Muscular Dystrophy. In the later spring, the school participated in the annual Arbor Day.

The Student Council had a successful year and was able to purchase a showcase for the school and help buy new lockers.

The year finished with Student Council elections held in May.
