To make our school run, it takes many important people. Each custodian, bus driver, cook or office person plays a key role in making our school operate smoothly.

Custodians who maintain our buildings, keep fields in shape, clear walks and driveways during the winter. Bus drivers who transport students safely to and from school, each day, log countless miles yearly. They also transport teams to and from athletic events. Cooks who prepare meals everyday, and the office personnel who assist the Principal and Superintendent, keep books, answer phone calls, and assist the students of Ashley High.

Each day these people are doing their job, which makes our school days run smoothly throughout the year.

Diane Boroughf-Bookkeeper
Barbara Haruska-Superintendent's Secretary
Phyllis Shaw-Principal's Secretary and Bookkeeper
