

During the 1980-81 seasons the Ashley Cheerleaders did various activities.

The Football cheerleaders were coached by Mrs. Sheila Belligan. This squad of girls sold football pins and held a spirit week for Homecoming. They were also in the Homecoming parade and cheered at the pep assembly held uptown. Locker decorations and posters were made to decorate the school.

The J.V. and Varsity Basketball cheerleaders were coached by Mrs. Suzanne Luneack. These two squads participated in the Okemos High School Cheerleading Clinic. Here they learned new cheers and chants, and many other new ideas. The basketball team was treated to stockings at Christmas, and heart shaped cakes for Valentines Day. A "Hee Haw" pep assembly was put on for the school, featuring acts from the T.V. show. Posters and locker decorations were made and distributed around the school. The basketball cheerleaders ended their season by making pin-ions and pennants, to cheer the boys on to a victory.
