

# SENIORS

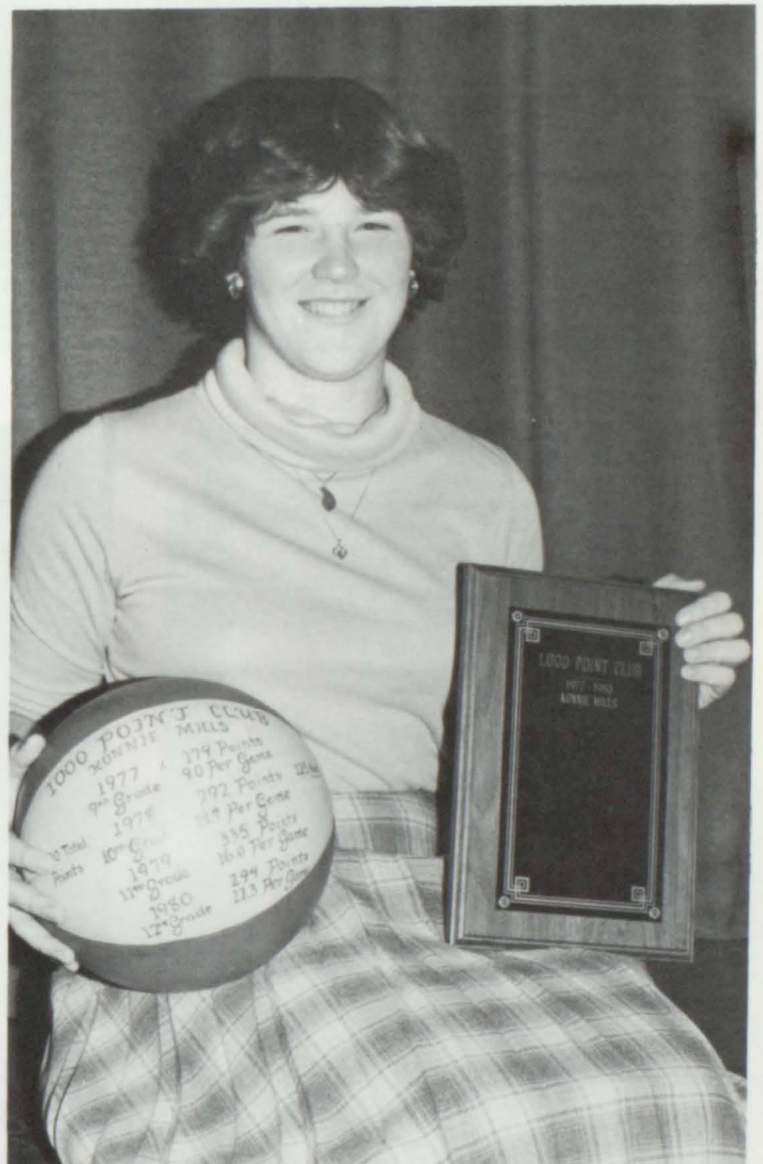

The senior class had eight representatives on the fall sport teams. In picture A from L to R, Kathi Burlingame, Patti Vanek, Konnie Mills, and Deb Reist. All were instrumental in the girls basketball team's climb to the top. The first three from their starting positions and Deb from her role as sixth man. Picture B from top to bottom, L to R, includes Joe Bleibtrey, Delbert Sutton, Gene Oberlander, and Roger Palek. The varsity football team's offensive line was anchored by center Roger Palek and tackle Delbert Sutton. Joe Bleibtrey patrolled the defensive backfield from his safety position, while reserve fullback Gene Oberlander helped out when called upon. Picture C is Konnie Mills at the fall athletic banquet. Konnie became the first basketball player, male or female, to score over 1,000 points in a career. Konnie was presented a plaque that will hang in the gym, and a basketball with her records over the last four years.
