The 1982 Girls Junior Varsity Basketball team was one of high spirits as it went through a frustrating season for nine freshmen and three sophomores. The girls gained many valuable experiences as they steadily improved their play during the season and finished with a 5-13 overall record and a 4-6 MSAC record.

Offensively the Bears were led by sophomore Sherri Carpenter who scored 117 points and grabbed 78 rebounds. She also helped out defensively with 62 steals. Karen Stoneman and Tammi Olmstead both chipped in with 45 points each while Olmstead rebounded 73 boards and Lori Saxton snatched 68. Defensively Sandy Jelinek captured 27 steals for the Bears.

Carpenter was awarded the MVP trophy at the Fall Athletic Banquet.
