

CLOSING THE 1983 BEAR TRACKS

Another year has come to an end, but we can't really call it just another year. We had some events that made this a very special year, and the village celebrated its centennial year.

We often say how tired we are of school and how we can't wait until we get out. But think a moment. What has brought us closer to friends? Given us responsibility, educated us, and instilled memories deep within our minds and hearts. SCHOOL. Sure books, homework, projects, reports, speeches, tests get us down for a while, but it's worth it in the long run. You should treasure all of the memories of your years at Ashley and hope that the rest of your lives will be as rewarding.
