Bottom Row: Rick Saylor, Sherm Hendricks, Bob Schmidt, Jim Vanek, Rob Kral.

The 1983-84 school year was a very exciting year that will not be soon forgotten by the Ashley Music Department. Both the Junior High and Senior High bands received long-awaited first division ratings at district band festival. Many hours of practice, along with determination, drive and desire made our dream come true. I've always been extremely proud of our band but I was especially pleased that this year they finally received their well-earned rewards and ratings.

Several other achievements should also be mentioned. We had students from both Jr. and Sr. high bands participate in the Solo and Ensemble festival and also received first division ratings.

I am convinced that the Ashley Bands' success is due to the hard-working, determined, and proud attitudes that its members display. I admire, respect, and thank each and every one of you.
--Pat Jackson
