

SENIORS VISIT N.Y.

SENIORS DEPART FOR THE BIG APPLE

Twenty-seven seniors and two chaperones climbed aboard a chartered Maple Valley Road-runner bus and departed to New York City Monday, March 26. The seniors first stopped at the Canadian border. They changed their currency for canadian bills and left for Niagara Falls in the early afternoon. The seniors arrived in Niagara Falls where they had five hours of free time. At 9:00 pm they were off for the West Point Academy.

Early Tuesday morning they arrived at West Point Academy where they had a guided tour of the grounds, and looked out upon the Hudson River. They left West Point and headed for New York. They arrived at the Big Apple at 3:30 pm, and checked into the Hotel Edison. Their first visit in New York was Madison Square Garden where they watched a pro basketball game. Later they walked to the Empire State Building.

The Seniors left the Hotel early on Wednesday morning to go on a sight seeing tour. The group stopped in Chinatown, they took a ferry to Ellis Island where they had a guided tour. Later in the evening they went to a famous Italian restaurant, Mama Leones. The seniors then returned to their Hotel for the night.

On Thursday morning they had free time to go shopping. Later in the afternoon they went to the NBC Studio. After their visit to the studio they were given a few more hours to go shopping. They left New York in the evening, and arrived back in Ashley at 1:30 pm Friday afternoon. Thanks goes to Mrs. Luneack and Mr. Schestag chaperoning the trip.
