

Football Cheerleaders

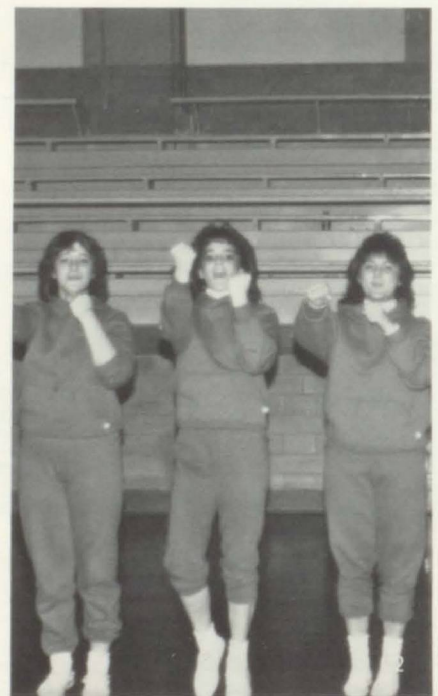

Can I move now?

Front Row: Jodi Skayrd, Middle Row: Tammy Conklin, Deann Gross, Teresa Rousseau, Tammy Harris, Top Row: Lori Saxton, Barb Schmidt

What can be said about this year's football cheerleaders except that they were great, and a lot of the credit should go to their coach, Anita Lowe. For home games Anita got donuts and juice for the girls to give to the visiting cheerleaders to help break the ice. Anita was always around to lend a helping hand whenever one was needed. The cheerleaders felt that Anita's efforts made the year worthwhile.

1. All heads turn when the charming cheerleaders walk by.
2. Does anyone know the exact arm movements to this cheer?
