The Varsity boys' basketball team had some disappointments, but for the most part they played very well. The team finished with a 14-7 record and went 8-2 in league action.

There were a few outstanding members on the team. Chris Ringle became synonymous with the ever-popular last second half time shot. He snagged four such shots this past year against Fowler, Portland, Dansville, and Byron. Senior Mike Litwiller had a very good year and now holds six school records. After losing a Genesee game, the Bears had no chance of attaining the league championship; nevertheless, this did not dampen the team's spirit. Their next league game was against Webberville. The Bears ended up with a 67-52 victory after only sliding by with a 45-44 win the first time they met Webberville.

Parents' Night against Byron was an exciting game to watch. The boys took the game in over-time with a 56-54 final score.

The Bears met Sacred Heart for their district game. The boys came on very strong the first quarter, but it was as though they had burned themselves out. They lost the lead and never regained the energy to take it back. They ended their season with a 58-44 loss to Sacred Heart.
