

Junior Varsity Basketball

Although their record showed 3-17, the 1985-86 J. V. boys' basketball season will not soon be forgotten. The boys managed to triumph over Morrice once and Genesee twice.

The away Genesee game was unforgettable. Coach Roger (Buddy) Howes got a bit too excited and was barred from the game in the third quarter. But the team just wouldn't quit. The score kept rising and crescendoed to a 48-47 victory when Freshman Tommy Lamey scored the winning basket with two seconds left on the clock.

On Parents' Night the boys clashed with Byron, and although they didn't win they played an excellent game. Down by many buckets, the team put forth a valiant effort, leaving the final score at a three-point spread, 46-43.

The team ended the season with a 3-7 M.S.A.C. League record.
