The junior high band had an exciting year. The seventh graders got their first taste of marching in the Homecoming and Halloween parades, while some of the eighth graders had the privilege of marching with the senior high band.

The band had a busy year. They performed in the Christmas Concert, and then began preparing for District Festival held in Fowler the band received a I division ranking. This opened up the opportunity to go to State Festival in Fowlerville. And go they did. While there the band received a II ranking for their fine performance.

Between the two festivals came the junior high Solo and Ensemble Music Festival. The band took fourteen events, and of the fourteen received seven I divisions and seven II divisions.

The band rounded out the year with the annual Spring Concert in which they featured a piece called "The Three Little Pigs." The band accompanied five senior high band students acting out the story. 3
