Standing — Mr. Wager, Instructor.

Erin Malek and Dana Payne Playing scales.

Another fun day in band.

This year marching band got off to an early start with band camp held at the school in early August. The camp culminated with the first out-of-state trip by the Ashley Marching Band. They accepted an invitation to perform at Cedar Point in Ohio. After an outstanding performance on the midway, the band had the rest of the day to enjoy the amusement park. The marching band also performed in the Marion Springs Country Happenin's Days Parade before the beginning of the school year. In addition to fine marching performances at all the home football games, the band marched at the Clinton County Marching Festival. The band, once again, had the crowd on its feet with another standing ovation performance.

The yearly Christmas Concert was the beginning of an excellent season for the Ashley Concert Band. Ashley was represented by several outstanding students taking events to the Solo and Ensemble Musical Festival. The band turned in another fine performance at District Band Festival, receiving a Second division rating. This year's Spring Concert featured a wide variety, from a Sousa March and a French Horn Mozart Concerto to a Rock 'n Roll tribute to the 50's. The band climaxed the year with a performance in Michigan's largest Memorial Day Parade in Mackinaw City. Hard work and dedication have proven to be very rewarding for the members of the band.
