This year's FHA was extremely active. Under the direction of their advisor, Mrs. Chris Rice, the FHA adopted two needy children from different countries: a boy from Thailand and a girl from Guatemala. They also participated in the Adopt a Family program in which they collected food and gave it to a young mother and her baby at Christmas-time.

The first semester of the school year the FHA sold donuts and juice on Friday mornings to help support their two adopted children. But the caring for children didn't stop there; they also babysat for the PTO meetings.

Early in the year the FHA entered a float in the Homecoming Parade, and on November 12 attended an FHA Regional Conference held at MSU. In February they sold carnations for Valentine's Day, and last, but not least, the girls volunteered to assist the nurses in the annual blood drive.
