## Freshman Spirit

This year's freshman class was full of spirit and they all pitched in during Homecoming week to let everyone know that the class of 1990 were proud of their school and unafraid to show it. Matt Chvojka and Lynna Tupica demonstrated their spirit during Homecoming week by dressing up for Fifties' Day. Throughout the rest of the week the freshmen were busy keeping up with some of the other various activities.

To bring their spirit-filled week to a pleasant end, they captured first place in the float competition. Their float depicting Luke Skywalker and Darth Vader battling it out proved "The Bears Strike Back" and that Homecoming '86 was, indeed, "Out of this World."
