

Class representatives meet monthly to plan activities and discuss and vote on school student body issues. Tom Fabus, freshman, and Melanie Zimmerman, eighth grader, represent their respective classes.

With all the activities being planned for Homecoming, Penny Drummond was found spending most of the week stumbling through the halls muttering, "This will never get done."

What A Year

Last Spring when Theresa Fabus and Duane Schneider ran for President and Vice President of the student council, the goal they set was to make this year better than ever. According to student council members, Theresa and Duane have accomplished their goal, with the help of the student council secretary Shelly Felton, treasurer Penny Drummond, and the student representatives from each class.

To start the year off, the student council involved the school in Homecoming Week, instigating varied activities all week long. Some of the special events were Hawaiian day, grub day, inside-out day, 50's day, hat day, blue and gold day, and to finish the week, a parade, a pep assembly, and a celebration dance that was held after the football game.

As the months went by, the student council made plans for Christmas activities. The day before Christmas break, they treated students to cider and donuts. They also sold "warm fuzzies" which included a candy cane. As the day ended they planned a film festival for the junior high and high school students.

As the school year came to an end the student council was working on getting a new juke box for the school and repairing the bell which is an Ashley School landmark. They also ordered more letters for the announcement board in front of the school and wanted to start getting wall composites for the classes to hang in the hallways. They were also trying to get the bathrooms renovated.

This year's student council is proud of their accomplishments. Even though they had a lot of obstacles in their way, they made it a successful year for both themselves and the students.
