

JUST BUMMING AROUND is one of Jim Skaryd's and Eric Cook's favorite activities during lunchtime.

"OH, DANKE SCHONI!" Christoff Ulleweit, commonly called, "The German," accepts his Sweetest Day gift from Cathy Strnad who plays Mail Lady for Dianna Garcia.

## Just Plain Fun!

Not everything that goes on at Ashley happens for the ultimate goal of education. Sometimes the occasion calls for, plain and simple, a good time. Often, there's not even an occasion, and those times are the most fun.

When a teacher closes the book in the middle of class and says, "The rest of the hour is yours," it's time to sit back, relax, and laugh.

Things like a pep assembly that hap-

pens unannounced or an impromptu game of Trivial Pursuit make life just a little more interesting at AHS.

And we need that, sometimes. It's important to have fun in school. It gives students a positive mental attitude, and when we're in a good mood, we tend to be more alert. Sure we come here for an education, but the moments spent in fun are the ones we remember.

"TEACHING IN PAJAMAS is so much more fun!" says Mrs. Miller. She and Mrs. Gearhart do a little jig, wearing their nifty dancing shoes, in the hall during Homecoming week.
