

Aaron Page, 23, rushes back to help the Ashley Bears put on a hard defensive press.

Jonathon Pendelton goes up for a jump shot in the game against Fulton. "Although we lost, we did try hard," remarked Jonathon.

Tourney Team

A winning season? No, not quite. It seemed no matter what this team did, they couldn't win. Throughout the regular season, they worked unsuccessfully to win just one game. Then during tournament time they seemed to pull through. The seventh grade Bears had not won a single game and went into the tournament with Breckenridge with little confidence. But they gave it all they had and when the buzzer rang to end their second tournament game, they were on top, 43-18.

Not surprisingly, when Coach Joe Gavenda was asked about the most exciting part of the season, he replied, "Probably winning our first tournament game." He also added, "I coach pretty much the same every year, and I feel if I see improvement, the year was successful." He felt that this year's team did show improvement.

When asked if he thought there was one player who stood out from the others, Coach Gavenda answered, "I don't like to single out just one outstanding player, because each one was outstanding in his own way to me."

First row, top to bottom: Brandon Malek, Jim Fabus, Joe Skaryd, Tim Bush. Second row: Johnathon Pendelton, Aaron Page, Ryan Kirkpatrick, Chuck Godfrey.
