

18 Straight!

When you ask ninth and tenth grade girls what their all-time dream is, what is the most popular answer? Playing on a state championship team for Coach Wayer!

This year's JV girls' basketball team got off to a bad start, losing their first two games of the year. But they didn't get down; they kept up the hard work and went on to win their last eighteen games, enroute to an 18-2 record.

When asked what turned the team around, Coach Hornak asserted, "I finally found out where everyone on the team belonged and what their role was."

"Togetherness," was the word used to describe the team by member, Dianna Garcia. On a team carried by sophomores, with a lot of freshman help, togetherness is what you need. By winning eighteen straight games, this team demonstrated they may be well on their way to achieving their goal of state champs someday.

"PLEASE GOD, JUST let this one go in." Jody Felton goes up for two against Ithaca, muttering her standard shooting prayer.
