

PEOPLE

Faces, expressions, events ... all part of life at AHS. The most important to remember, however, are the faces, because along with those faces we'll remember the expressions and the events that caused those faces, expressions, and events will remain with us forever.

EXAMS BAD? NO way! At least not if you pull a 'C' average and missed two or fewer class periods. If so, you have the opportunity to either not be in school or enjoy "free time" in the gym. Cheryl Howe, Janette Stehlik and Michelle Andersen are proof that this kind of exam taking is really quite painless.
