GO! RAMBO! GO! Chris Sosebee, eighth grader, runs fearlessly around a cardboard box just before he is shot down during the shooting of an adventure-filled video for his social studies project.

SMALL ENGINES HOTRODDIN' champ, Steve Mills, senior, cruises the grounds, oblivious to the fact that his steering is disengaged from his speeding, immobile lawnmower.

MASTER OF PUNS, Charlie Howes, is sometimes the only one who laughs at his jokes. Jim Stehlik smiles out of courtesy.
