Brains, Humor

The Class of '92 is a very spirited group of young adults.

Intelligence and talent, a smile and laughter, are common around these ambitious students.

This class is really into nicknames. These names also reflect the humor in the class: Kelly "Kal-Kan" Lytle, Christopher "Uncle Pervie" Sosebee, and Christopher "C.J." Lowe.

But even with all their fooling around, this is one class who should succeed in becoming responsible and sensitive adults.
