

Places

Events, People . . . the third part of this memory-making trilogy has to be the Places where things happen. Talking to Mary in the library, sitting with a special friend on the stage during breaks, soaking up sun on the outside steps, or sitting in an empty classroom cramming for next hour's test . . . these "insignificant" moments are the ones we'll reach back for years from now, and smile as the memories come flooding back.

AS NICE WEATHER arrives, more students enjoy spending their lunch-time outdoors. Jim Stehlik, Aaron Burk, Steve Mills and Eric Cook enjoy the sunshine of a spring day as they gather around one of AHS's most memorable landmarks, the fifty-year-plus school bell, displayed on the lawn in front of the school.
