

Youth And Enthusiasm

Make The Year Fun

With seven freshmen on this year's softball team, it turned out to be an unpredictable year. The freshman, combined with the veterans of the squad, turned out a very competitive team. At times the youth showed, as the girls lost a few games caused by errors. Coach Jim Lytle said optimistically, "In a couple of years I expect a lot from these young athletes. They have a lot of potential and could be very good."
