Andy Denman

FOOTBALL, FOOTBALL, FOOTBALL, figures prominently in Andy's favorite senior memories. He'll be remembered for his wry sense of humor.

*Warren Faber*

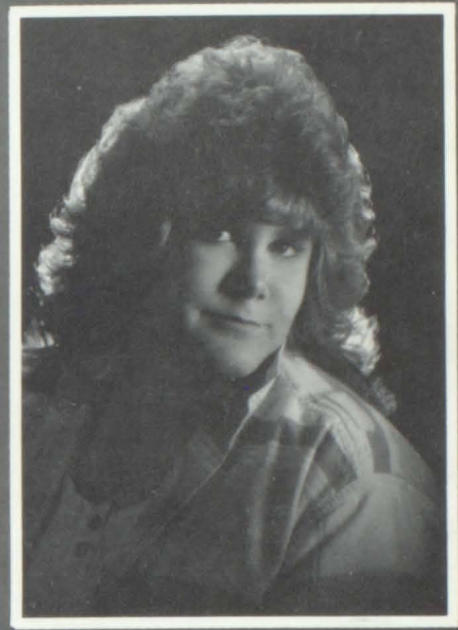

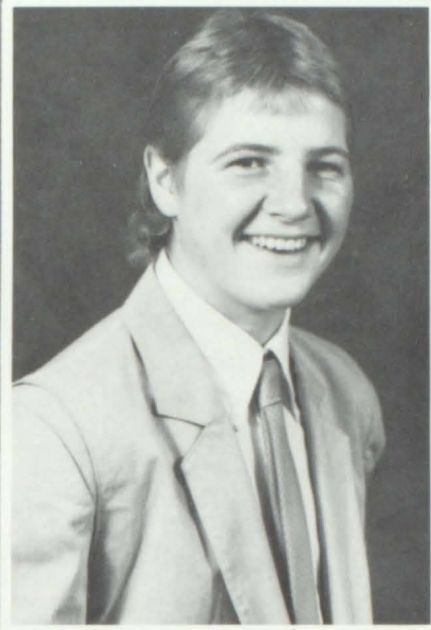

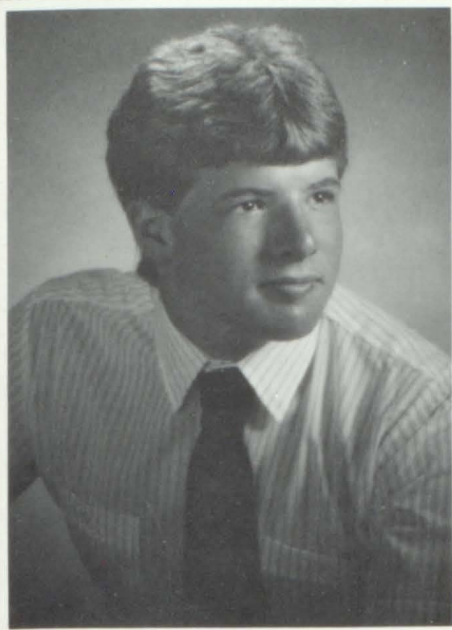

Warren Faber

"WAR DOG" wishes he'd knuckled down and pulled an A+ in government; it's hard to believe this funlover has any regrets.

*Amy Fabus*

Amy Fabus

SHE HATES THE NICKNAME "SMURFETTE;" no one, however, can deny that she's an incredible combination of intelligence and fun.

THE COMPUTER KID is glad he was involved in Voc Ed; his favorite memory is the Homecoming night football victory, 22-21.

John Hendricks

HER FAVORITE PERSON? Coach Wayer, because of all he sacrifices to work with "his" girls. Hugging a ref during Districts is a moment Sheila won't forget.

Sheila Marie Keck

SMALL, YES! BUT don't underestimate this little stick of dynamite, who never has any problem expressing her beliefs.
