Farewell To The 80's, But

The Best Is Yet Ahead

Hanging up on the 80's sounds so final. Soon this wonderful decade will be nothing but a memory. It's hard to sum up ten years in a few lines, but I think more than anything the 80's was a time in which we all grew.

No one knows what the future will hold for us, but the graduation of the class of '89 will definitely mark the ending of an era. As wonderful as the 80's were, the

90's might be even better here at Ashley. It will be exciting to see all the classes of the 90's make their mark on the world, beginning with the wonderful class with class, the class of 1990.

Change is inevitable, but as the 80's give way to the 90's, hopefully, Ashley will continue to be as close and secure as it has always been. Farewell to the 80's, but the best is yet to be.
