

Jodi Skaryd and Bill Schmidt

Their summation of their friendship was simple and brief: "He's my buddy, and she's my pal!"

Char Evans, Ann Fabus and Amy Burk

Three words are enough to explain this friendship: "We just click!"

These two seniors say they've had a lot of good times together but also admit to having their share of fights. Sheila maintains that the most fun they ever had together was when Sherry sat in the wrong car. (A private joke, obviously).
