

Sheila Keck,
Chris Sosebee,
Joe Merignac
and Shawn So-
pocy

One of the best times they can remember is when Chris and Joe went over to Sheila's house and tried on all of her clothes. Shawn wanted it known that, "They're my buddies!"

Karen Martinez
and Suzanne
Luneack

These two friends find it easy to explain their special tie: "We've been friends for eighteen years now, because we both feel that you should have one person you can let your hair down and relax with."

Jodi Skaryd and Chris
Huntoo

Jodi and Chris go back a long way ... "We've been hanging around together since kindergarten," they claim.
