

IT'S A DIRTY JOB BUT somebody's got to do it, so Phyllis Shaw takes apart the copy machine for its monthly cleanup. Phyllis hates doing this job because it takes so much time.

"IT'S SO FRUSTRATING trying to find a misplaced file," says Barb Haruska, Superintendent Seals' secretary. She states, "It takes a lot of time and it interferes with my getting my regular work done."

LOOK WHO'S UP! Mr. Seals forces himself to roll out of bed at 4:30. Fog and snow require the superintendent to get out and check the roads to decide if school may be delayed or cancelled.
