

Mr. Pat Parrish
Band, music

MR. PARRISH TUNES IT UP as he has fun cutting loose, playing tuba in the jazz band. Mr. Parrish tries to play and teach at the same time as the jazz band is trying to learn a difficult passage.

Mr. Fred Sanford
French, counselor

MAKING A CONNECTION is one part of Mr. Sanford's job as counselor. He helps students plan for after graduation by calling colleges and other schools for information. He sets up visitation appointments and helps seniors get college applications.

ONE ON ONE, that's the way to do it. Mrs. Shelton works with Don Wirt. She spends lots of time on books but if the kids need help or someone to talk to, she is here to listen and help.

WATCHING KIDS GROW is an exciting part of Mr. Walden's job. He likes to watch the girls develop crushes on the boys and the boys act as if they hate it. Two of the students that Mr. Walden works with are Stacey Deming and Kevin Fabus.
