O.V.C.	LOST, LOST
**SVAC - 5-7 **OVERALL - 6-9	

Seventh Grade

Seventh grader, Shasta Patterson (standing, foreground) leads her class in the cheer for the spirit jar at a pep assembly. The seventh graders never won, but you could always hear their young squeaky voices cheering the team on.

TICKING OFF GIRLS is one pas-time for Brian Malek and Jason Pendleton. They give Lisa Polash a hard time on the stage during lunch, stealing her pop and making a general nuisance.
