PRACTICE MAKES PERFECT is Stephanie Thiel's motto as she tries once again to perfect her badminton swing. The eighth grade physical education class takes a few weeks to try out different kinds of sports throughout the year. Stephanie Thiel commented that she found badminton quite interesting.

Eighth Grade

GETTIN' READY TO JAM, Dominic Lowe rolls out the stereo system at lunchtime. The students enjoy the stereo that the student council purchased earlier in the year. One student commented, "It makes lunch hour fun because we aren't as bored."
