

HARD PRACTICE PAYS OFF! (above) CJ Lowe defends Joe Merignac in a full court drill. This year's team could definitely play the whole court well. (right) Tom Powelson and Eric Kremer try to stop Matt Miller from getting the ball out to Dan Sperling during a scrimmage at practice. The scrimmages helped to produce a game situation. (far right) Eric Kremer steps up to grab the loose ball as CJ Lowe tries to cut him off. These guys always worked hard for loose balls and it showed up in the final score.
