SUPPORTING THEIR TEAM, marching band members, Jason Skaryd, Ellery Sosebee, Kelly Justik and Stephanie Murdock, create some excitement as the football team battles Webberville. They cheered their team on to a 36-0 victory.

Life

added a special pre-Festival concert to showcase their talent. This band also earned a II rating at Festival and had members perform at Solo and Ensemble; some even excelled there and reached State Solo and Ensemble competition.

Jazz band entertains

Another band that, in the past, had met in the early hours before and the late hours after school, finally got a regularly scheduled hour of the day. The jazz band had its highest regular membership, as it peaked with ten members. They also performed at the Christmas and Spring concerts, but found time to do some special performances. The jazz band provided entertainment for the elderly when they performed at the nursing home, entertained at the annual swiss steak dinner, and made a special appearance at Shifters, a restaurant in Alma, where they entertained for a business luncheon. The band had hoped to perform at a Jazz Festival in Mount Pleasant, but because of bad weather, weren't able to make it.

Senior High adds a twist

As the senior high band moved from marching season to concert season, they faced a year full of concerts and performances. They entertained audiences at the Christmas and Spring concerts and even
