

If That One Night Could Last Forever . . .

It's the most romantic night of the year. Did it have to end?

WHO SAYS STAG'S A DRAG? Ann Miller did something out of the ordinary this prom, and went without a date. She went with some of her friends and actually had a pretty good time. She looks like she's having fun, doesn't she?

LOVE IS IN THE AIR. For Char Evans and Duand Saylor, the night was filled with magic. The theme "Love Song" definitely set the mood for these two.

ENJOYING THE CAMERA isn't hard for these juniors. After working for several days on prom, Shelly Muscott and Melanie Zimmerman (right, middle) can finally enjoy it.
